Certified tree planter

Hey there, Nouhaila INNAN,

Thanks to your participation in Vilnius Machine Learning Workshop one extra tree exists in the world. In these times fresh air is as good a gift as any - so this Autumn we're going to plant 500 trees to honor the Vilnius Machine Learning Workshop 2021!

Our mission is green, and we're always looking for ways to make the world a nicer place to live in. But maybe we could do even more together! Have a look: www.vinted.com/jobs
